# Conditions of participation

## Purpose

-The aim of the school round is to select four students who will participate in the second international competition of the European project KA2 'International ICT Competitions for Increasing the Quality of Secondary Education' that will take place in Salesianos Juan XXIII Alcoy October 3-7th, 2016.

## Requirements

- Any student, aged 14 to 19 enrolled in any of our Intermediate Vocational training or Basic Vocational training courses, may take part in the school round.
- The participants will take three tests to show their skills in:
  - Office software: text editor and spreadsheet.
  - English (placement test).
  - Oral interview (in English).

## Dates

- Those interested will register by completing the registration form available at reception desk before noon April 20th.
- Test dates will be:
  - Office software: 18th May from 16 to 18h.
  - English (placement test): 25th May from 16 to 18h.
  - Oral interview: 1st June from 16 to 18h.

## Jury and evaluation criteria

- According to the results of the tests, the jury made up of some CFGM and FPB teachers from Salesianos Juan XXIII School will select the best four students.
- The winners of the school round will be published on 3rd June on the school website [alcoyjuanxxiii.salesianos.edu](http://alcoyjuanxxiii.salesianos.edu) and the Facebook page.

## Acceptance of the bases

- By entering the school round, participants agree to accept and comply with these terms and the jury's decision.
